COVID-19 IMPACT REPORT

VIRTUAL PROGRAMMING

Our staff have been working diligently to offer virtual programming to our Club kids. Each Club has come up with creative ideas to engage our members through the utilization of many technological and educational platforms.

CLUB SPOTLIGHT

Greater Newark Boys & Girls Club distributed bikes to Club members donated by Delmarva Power. During the school closure, Newark staff Desiree B., April T., Ciara H., and Amber H. went around the Club's surrounding neighborhoods and surprised several Club members with brand new bikes! For some kids, this was the first bike they've ever owned. Thank you to our Club staff who are doing what they can to help our kids in their time of need. A special thank you to Delmarva Power for your generosity and support!

STAYING CONNECTED

Our Club Directors and staff are staying connected with their Club kids daily by using the One Call system to check-in. Also, informing parents of program activities and using various social media channels to communicate activities. In such an uncertain time, we are thankful that our staff can aide in providing some normalcy for our kids and continue to support the school system.

MEAL DISTRIBUTION

At this time, we are distributing "Grab and Go" meals at the following locations: [Clarence Fraim Boys & Girls Club](#), [Claymont Boys & Girls Club](#), [H. Fletcher Brown, Boys & Girls Club](#), and [Laurel Boys & Girls Club](#). We encourage you to share with the community in which you live and/or serve to spread the word about available meals. We would like to thank Mountaire Farms for providing hundreds of our Sussex County Club Kids and their families with 10lb bag of chicken and helping us prepare meals.

TOTAL MEALS SERVED

To date, we have distributed a total of **3,050 meals** to youth and their families through various distribution points across Delaware.

EMERGENCY CHILDCARE

On Tuesday, April 7th we opened six locations across the state of Delaware to provide child care services to children of essential personnel. It is important for the Boys & Girls Clubs to be there for parents who are on the frontlines fighting this pandemic. We opened [Clarence Fraim Boys & Girls Club](#), [Greater Newark Boys & Girls Club](#), [Greater Dover Boys & Girls Club](#), [Greater Milford Boys & Girls Club](#), [Western Sussex Boys & Girls Club](#), [Oak Orchard Boys & Girls Club](#).
